

The background of the image shows the interior of an elevator. On the left, there is a dark control panel with several buttons and a small white label at the top. The rest of the walls are covered in light-colored wood paneling. The text is overlaid on a white rectangular area on the right side of the image.

KLEFER

Safety Standards

Safety standards for lift doors are crucial to ensure the protection of the lift user. KLEFER doors strictly comply with rigorous safety standards to prioritize passengers' safety.
