

The background of the image is the interior of an elevator. The walls are dark grey or black. On the left side, there is a control panel with several buttons and a small display. The floor is also dark. A large white rectangular box is overlaid on the right side of the image, containing text.

KLEFER

Safety Standards

Safety standards for lift doors are crucial to ensure the protection of the lift user. KLEFER doors strictly comply with rigorous safety standards to prioritize passengers' safety.
