

The background of the image is a blurred view of an elevator interior. On the right side, a portion of the elevator control panel is visible, featuring several circular buttons with numbers and symbols. The text is overlaid on a white rectangular box in the center-right of the image.

KLEFER

Safety Standards

Safety standards for lift doors are crucial to ensure the protection of the lift user. KLEFER doors strictly comply with rigorous safety standards to prioritize passengers' safety. Discover KLEFER's comprehensive range of norms and products.
