ABOUT US

KLEFER has been active in the lift industry since September 1999. Established as a collaborative venture between KLEEMANN and FERMATOR, KLEFER specializes in manufacturing high-quality lift doors at its state-of-the-art premises in the Kilkis Business Park, Greece. Guided by a strong vision, core values and commitment to customer satisfaction, KLEFER produces lift doors that combine quality with aesthetic appeal, ensuring lasting performance and elegance in every project.

# INDUSTRIAL

## INDUSTRIAL AESTHETICS

Industrial interior design draws inspiration from the practical beauty of factories, warehouses and urban lofts, merging raw materials with a modern, polished aesthetic. This bold style is perfect for those who appreciate the fusion of authenticity and contemporary sophistication. Lift doors seamlessly integrated into these spaces reflect the same design philosophy.

Their sleek, functional form complements the industrial style while enhancing the visual impact. KLEFER lift doors bring lasting appeal to interiors, making them a distinctive choice for those who value design that stands the test of time.

C2, Full Glass, ST/ST Black Satin

## KLEFER RECOMMENDS

**Door Type:** Automatic or Semiautomatic doors with vision panels that maximize space while maintaining openness.

**Automatic Doors:** Big Vision, Full Glass.

**Semiautomatic Doors:** C310, C520, C710.

**Bus Folding Doors:** All types, blind or vision panels (small or big window).

**Door Finishing:** Create a timeless and sophisticated atmosphere with our selected finishes, designed to blend

style and quality. Neutral tones like gray, black and brown create a refined base, while bold accents add contrast and visual interest, resulting in a balanced, dynamic look that reflects your space's personality. Enhance your lift doors with premium wood finishes or stylish skinplate options to add warmth, subtle elegance and visual impact. Special finishes are also available to customize your design, ensuring every detail contributes to a cohesive, contemporary style.

**Handles:** Choose from sleek handles and minimalist bars to complement your semiautomatic doors. Opt for satin or gold finishes to introduce sophistication and visual harmony across your interiors.

**Sill:** Discover our range of colored anodized sills, designed to bring an industrial edge and refined style to your space.

## BONUS INSIGHT

Enhance your lift doors with industrial inspired powder coatings for a stylish, timeless look. Choose a textured finish for a tactile effect or a smooth matt finish for minimalist sophistication. Both options balance raw, utilitarian character with modern refinement.

# MEDITERRANEAN

## MEDITERRANEAN BEAUTY

Step into a world of warmth, serenity and elegance with Mediterranean décor. Inspired by the coasts of the Mediterranean Sea, this style blends natural elements with timeless beauty, creating spaces that embody the essence of coastal living. Lift doors, as complementary features within these environments, follow the same philosophy. Their sleek, minimalist lines and nature-inspired

materials complement the light-filled, airy atmosphere typical of Mediterranean design. Combining functionality and sophistication, KLEFER lift doors elevate any setting, perfectly balancing form and function. Choose panoramic lift doors to fill your space with natural light, creating an inviting and harmonious atmosphere.

C2, Big Vision, RAL 1013

## KLEFER RECOMMENDS

**Door Type:** Automatic or Semiautomatic doors with or without vision panels.

**Automatic Doors:** Steel, Stainless Steel, Big Vision, Full Glass.

**Semiautomatic Doors:** C310, C710, C520, Classic-Blind.

**Bus Folding Doors:** All types.

**Door Finishing:** Transform your space with finishes that combine sophistication and character, capturing the essence of the Mediterranean

through a refined color palette. Choose timeless earthy tones like beige and cream, or introduce warmth and vibrancy with sandy neutrals, ocean blues and sun-kissed yellows. Enhance your lift doors with elegant wood finishes or sleek skinplate options to create visual impact, elegance and a touch of luxury. Complement your doors with special finishes that reflect your individual style, ensuring every detail contributes to a harmonious and distinctive aesthetic.

**Handles:** Explore our stylish handle collection. Select satin or gold finishes to achieve a balanced and cohesive aesthetic throughout your space.

**Sill:** Elevate your interiors with anodized sills in a range of colors, offering a perfect balance of sophistication and style.

## 💡 BONUS INSIGHT

For outdoor installations or projects near the seaside, improve protection for all electrical and mechanical components to ensure durability and long-term performance. Anti-corrosion finishes are recommended to safeguard your lift doors from harsh environmental conditions.

# CLASSIC

## CLASSIC ELEGANCE

Classic interior design is more than just a style – it is a statement of enduring elegance. From decorative moldings and intricate patterns to rich wood finishes and a refined color palette, every detail creates an atmosphere of luxury and sophistication. Lift doors, as elegant additions to these spaces, reflect the same design philosophy - symmetry,

fine details and premium materials that elevate the overall aesthetic. A seamless blend of tradition and functionality, KLEFER lift doors bring lasting beauty to any interior, making them the ideal choice for those who value timeless style.

C2, RAL 7032

C710, IVE 05

C2, RAL 1013

## KLEFER RECOMMENDS

**Door Type:** Automatic or Semiautomatic doors with or without vision panels

**Automatic Doors:** Steel, Stainless Steel, Big Vision and Special Stainless Steel coating.

**Semiautomatic Doors:** Classic Blind, C520, C710.

**Bus Folding Doors:** All types.

**Door Finishing:** Create an inviting atmosphere with finishes that harmonize style, quality and personality.

Establish the perfect foundation for your interiors with soft, muted tones like beige, ivory, cream and gentle gray, while adding depth with carefully chosen accents. Refine your lift doors with a variety of powder coatings or explore our selection of special finishes, tailored to your unique preferences. Wood finishes in the perfect shade or skinplate options introduce warmth and luxury, leaving a lasting impression.

**Handles:** Discover our exclusive range of refined handles, designed to complement your semiautomatic doors. Choose satin or gold-finished bar handles to bring cohesion and timeless sophistication to your interiors.

**Sill:** Explore our collection of colored anodized sills to introduce a distinctive touch of character to your space.

## 💡 BONUS INSIGHT

The choice of materials is essential in creating a truly timeless lift door design. Opt for luxurious wood veneers, explore various textures and powder coatings, and incorporate elegant handles with satin or gold finishes for a refined and lasting touch.

C520 "Big Vision", RAL 9016

# ARABIC

## ARABIC CHARM

Arabic interior design draws inspiration from the rich cultural heritage of the Middle East, blending exotic beauty with warmth. It combines traditional and modern elements, featuring luxurious textures and earthy tones that create inviting spaces filled with mystery and charm. Architectural details such as arches and mashrabiya screens add elegance, while mosaic tiles and ambient lantern lighting infuse interiors with a captivating atmosphere.

Lift doors, as complementary elements in these spaces, harmonize seamlessly with Arabic style. Featuring detailed patterns or finishes in gold, bronze or other premium materials, they elevate both visual appeal and overall ambiance.

More than just functional, KLEFER lift doors enhance the atmosphere, complementing the textures, lighting and design elements that define the space.

C2, Y22051

## KLEFER RECOMMENDS

**Door Type:** Automatic or Semiautomatic doors with or without vision panels.

**Automatic Doors:** Steel, Stainless Steel, Big Vision, Full Glass.

**Semiautomatic Doors:** C710, C520.

**Bus Folding Doors:** All types, blind or vision panels (small or big window).

**Door Finishing:** Infuse your interiors with a captivating and sophisticated atmosphere with our selected finishes.

Inspired by Arabic aesthetics, choose earthy tones such as terracotta, deep browns, and warm beige, accented with vibrant shades of red, gold and sapphire blue.

Transform your lift doors with powder coatings in textured or smooth matt finish, or explore our special finishes to match your vision. Complement your doors with premium wood finishes that add warmth and depth, or explore skinplate options that blend traditional motifs with modern flair for a truly distinctive look.

**Handles:** Discover our refined collection of handles to complement your semiautomatic doors. Select from sleek satin or luxurious gold-finished bar handles to bring unity and sophistication to your interiors.

**Sill:** Choose from our selection of colored anodized sills to add a subtle, refined accent and modern elegance to your space.

## 💡 BONUS INSIGHT

Enhance the Arabic-style aesthetic with rich gold and bronze finishes. Incorporate deep warm tones like emerald green, royal blue or ruby red to evoke luxury and tradition, transforming your lift doors into a distinctive design of elegance and cultural sophistication.

T2, RAL 5005

# LUXURY

## LUXURY ESSENCE

Luxury design embodies elegance, exclusivity and careful attention to detail. It combines high-quality materials such as marble, rich wood, glass and polished metals to create a sophisticated, timeless atmosphere. Thoughtful detailing elevates the space, highlighting architectural features and reinforcing a sense of refinement.

Lift doors, with premium materials and elegant finishes, ensure seamless functionality while contributing to visual harmony and a cohesive architectural expression. Embracing this philosophy, KLEFER lift doors blend innovative technology with refined aesthetics to elevate luxurious living environments.

C520 & G5, Big Vision, ST/ST  
Bronze Satin

C2, ST/ST Copper Gold Satin

## KLEFER RECOMMENDS

**Door Type:** Automatic or Semiautomatic doors with or without vision panels.

**Automatic Doors:** Steel, Stainless Steel, Big Vision and Special Stainless Steel coating.

**Semiautomatic:** C520, C710, C310, M310.

**Bus Folding Doors:** All types.

**Door Finishing:** Make a statement of luxury and timeless style with our collection of finishes.

Choose rich, deep tones such as charcoal, navy, emerald and warm metallics like gold and bronze, creating a sense of refinement and opulence. Upgrade your lift doors with an exclusive range of textured and smooth powder coatings. Explore our collection of premium special finishes to make each detail exceptional. Add warmth and texture with carefully chosen wood finishes or sleek skinplate options, blending modern minimalism with enduring elegance.

**Handles:** Discover our selection of elegant handles and bars, designed to complement your semiautomatic doors. Available in refined satin and gold finishes, they bring balance and luxury to your interiors.

**Sill:** Enhance your space with anodized sills in a range of colors, engineered to deliver a touch of finesse and modern luxury.

C520 "Big Vision", RAL 3015

## BONUS INSIGHT

For high-end interiors, ensure your lift doors merge flawless functionality with refined finishes. Choose exclusive materials like special stainless steel or premium RAL colors. Incorporate glass panels in clear, matt or fume finishes to allow natural light to flow, adding timeless elegance to your space.

# CONTEMPORARY

## CONTEMPORARY LIVING

Contemporary design is defined by today's way of living, shaped by modern materials, evolving lifestyles and current architectural trends. It embraces clean lines, open functional spaces and a minimalist approach that adds clarity and purpose to every element. In contemporary environments, lift doors exemplify understated sophistication, often featuring materials such as stainless steel, glass or matt finishes.

Their minimalist design complements the surrounding architecture without drawing attention. KLEFER lift doors support this architectural vision while ensuring reliable performance and smooth operation through carefully selected materials and attention to detail.

C520 & G3, Big Vision, RAL 9004

C520 & G5, Big Vision, RAL 1013

## KLEFER RECOMMENDS

**Door Type:** Automatic or Semiautomatic doors with or without vision panels.

**Automatic Doors:** Steel, Stainless Steel, Big Vision, and Special Stainless Steel coating.

**Semiautomatic Doors:** Classic Blind, C520, C310.

**Bus Folding Doors:** All types.

**Door Finishing:** Achieve a refined and inviting atmosphere with special finishes, designed to harmonize quality with modern elegance.

Enhance contemporary interiors with a curated palette of cool neutrals such as crisp white, soft gray, charcoal and taupe, providing a clean, sophisticated backdrop. Choose powder coatings, special finishes or wood and skinplate options to add subtle character and warmth.

**Handles:** Elevate your semiautomatic doors with our range of elegant handles. Available in satin and gold finishes, they deliver a cohesive and timeless look for contemporary, refined interiors.

**Sill:** Discover our collection of colored anodized sills and introduce a contemporary accent that complements the space.

## 💡 BONUS INSIGHT

In contemporary living spaces, where style meets function, choose lift doors that harmonize with clean, open interiors while delivering consistent, effortless performance. Select finishes and materials that resist everyday wear and maintain their sleek appearance over time.

C2, ST/ST Satin

# GLASS

## GLASS MINIMALISM

Glass has become a defining element in modern interior design, valued for its versatility and elegance. One of its most powerful features is its ability to introduce light, transparency and a sense of openness. Designers use glass to achieve a sleek, contemporary aesthetic that complements styles ranging from minimalist and industrial to luxurious interiors.

Designed with simplicity in mind, glass lift doors

offer a minimalist solution that adapts easily to the surrounding environment. Large glass panels reduce visual barriers, making interiors feel connected and expansive. Whether used in residential, commercial or hospitality settings, KLEFER lift doors enhance a clean, modern aesthetic while preserving openness and transparency.

C2, Full Glass, ST/ST Satin

C4, Big Vision, ST/ST Satin

## KLEFER RECOMMENDS

**Door Type:** Automatic or Semiautomatic doors with vision panels.

**Automatic Doors:** Big Vision, Full Glass.

**Semiautomatic Doors:** C520, C710.

**Bus Folding Doors:** All types with Big Vision panels.

**Door Finishing:** Create a bold and visually striking atmosphere with our selected finishes that combine quality and modern elegance.

Highlight the beauty of glass lift doors with light-reflective tones such as frosted white, mist gray and ivory, or add depth with shades like smoked gray, graphite and deep black. Refine interiors with powder coatings or add a personal touch with special finishes. Warmth and timeless charm can also be introduced through wood finishes in rich, carefully selected shades, providing a polished and sophisticated accent.

**Handles:** Explore our selection of sophisticated handles designed to complement semiautomatic doors. Satin or gold finishes provide cohesive, lasting beauty.

**Sill:** Enhance your interiors with our colored anodized sills, creating a harmonious blend of elegance and modern appeal.

C520 &amp; G3, Big Vision, RAL 7043

## BONUS INSIGHT

Whether you prefer full transparency, subtle tinting, or added privacy, our wide range of glass types and colors allows you to create the atmosphere you envision. From crystal-clear safety glass to a variety of tints and shades, every choice balances light and style perfectly.

## COMMITMENT TO EXCELLENCE

At KLEFER, professionalism, responsibility and respect for our customers and suppliers define the way we operate. Every interaction is guided by integrity, fostering strong and trustworthy relationships with our clients. Our dedicated teams share a passion for excellence, focusing on optimizing processes, enhancing product performance and providing exceptional customer support. With extensive expertise in customized projects, we provide innovative, precise solutions tailored to meet specific requirements, ensuring efficiency and excellence in every detail.

## QUALITY ASSURANCE

Guided by innovation and industry best practices, our team is committed to delivering solutions that exceed our customers' expectations. From initial design to final delivery, we uphold the highest standards of quality throughout every stage of the process.

## SUPPORT

From design and ordering to delivery, installation and maintenance, our expert support team is with you every step of the way. We are committed to providing a seamless, responsive and satisfying experience, meeting your needs with efficiency and dedication.
