## ABOUT US

KLEFER has been active in the lift industry since September 1999. Established as a collaborative venture between KLEEMANN and FERMATOR, KLEFER specializes in manufacturing high-quality lift doors at its state-of-the-art premises in the Kilikis Business Park, Greece. Guided by a strong vision, core values and commitment to customer satisfaction, KLEFER produces lift doors that combine exceptional quality with aesthetic appeal, ensuring lasting performance and elegance in every project.

## FINISHES AND OPTIONS TO SUIT YOUR DESIGN!

Elevate your space with lift doors in a wide range of finishes and design options: vibrant paints, sleek stainless steel, warm woods, versatile skinplates, elegant glass, and durable handles. From minimalist elegance to bold statements, every choice adds personality, style and functionality, making your lift doors a standout feature in any environment.

## ELEVATING LIFT DOORS

With over 25 years of experience in the lift industry, KLEFER has become a trusted name in providing flexible and customized lift door solutions. Today, we export to over 45 countries, excelling in custom projects with expert knowledge and precision. Whether for local or international markets, KLEFER provides reliable, elegant, and efficient lift door solutions that ensure seamless operation and long-lasting performance.
